

STEFANIE PARROTT PRESENTS

NOBE Bungalow with Peekaboo View

ADDRESS | 5615 Market Street
CITY | Oakland
TYPE | 2BR/1BA
SIZE | 978 SQ FT
PRICE | \$428,000

DETAILS | Built in 1915, this terrific bungalow is a gem. The story neighbors share is that the homes in this tract were built as summer homes, each with stained glass windows depicting the seasons. The split-level floor plan provides a 2nd story bedroom with views of both the hills and San Francisco — a perfect place to relax and watch the changing seasons.

Sunny and inviting with charming original details and wood floors. Big eat-in kitchen and breakfast nook lead out to backyard patio. Detached garage awaits your vision — could be a great home office or art studio. Well loved and maintained by its current owner, with significant upgrades in 2000 including foundation and dual pane windows. Freshly painted and ready to go.

Convenient and central location so close to everything. A great launching pad for wherever you want to go. But of course, you may prefer to just stay home.
