

Fantastic Modern Design in NOBE

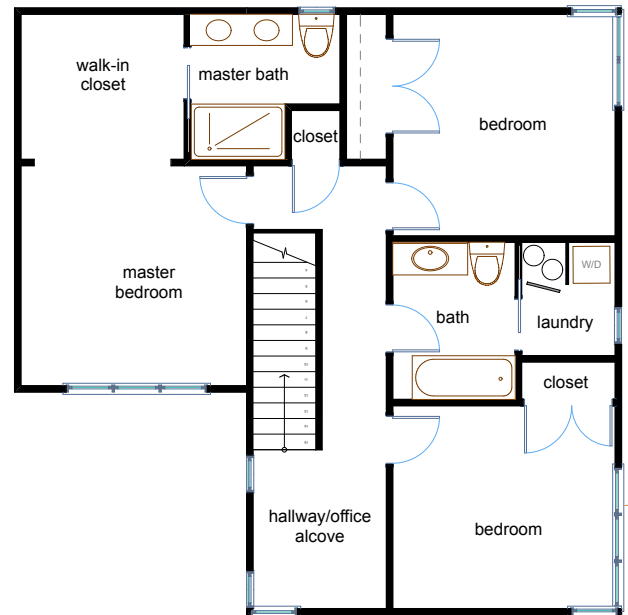

ADDRESS | 5917 MacCall Street
CITY | Oakland
TYPE | 3BR/2.5BA
SIZE | 1,420 sq ft + attached garage
PRICE | \$850,000

PROJECT | A signature Wilson Associates project built in 2013. Two new modern freestanding homes on individual lots with private yards designed by Peter Wilson. The front house is now offered for sale.

DETAILS | Enjoy the ease and comfort of modern living with open floor plan and quality finishes. Cedar and stucco exterior siding, wood flooring throughout, radiant heat, tankless on-demand water heater, mahogany door, stone counters and custom cabinets. Irrigated landscaping. Dramatic cabana doors create continuous connection to the outdoors — first floor opens seamlessly to sheltered private deck with lush plantings. Stylish garage with interior access.

Centrally located in red-hot NOBE, this great house is close to everything. Fantastic!
