

STEFANIE PARROTT PRESENTS

The Mira Vista Social Club

DETAILS | The Mira Vista Social Club is a very special place perched ridge top with commanding views of the Bay, San Francisco, Mt. Tam, and Wildcat Canyon. Built in 1947 and steeped in history from a time when neighborhood friends gathered here for 50¢ spaghetti dinners and dances sponsored by the local sewing club featuring “the usual peppy music of the Party Peppers”!

This is the rare find, that one of a kind, once in a lifetime property. Simple and stylish with a story. Set back from the street with a sweet recessed entryway. So inviting. Large and dramatic open, wainscotted living space with exposed roof trusses, complete with a small stage. Old white oak floors recently refinished. New paint in and out. Remodeled kitchen and bath. Easy flow to the yard, a generous lot of almost 9,000 square feet that offers every possibility — room to expand the existing building, add another building, start your own orchard/farm/ranch.

What’s really cool is what a comfortable, livable space it is. Restored with care and the eye of an artist, the property has been significantly upgraded. More than just its peppy provenance, the Mira Vista Social Club is a great place to live.
